## Here's how you can fundraise easily...

The Sydney DPS Community Rebate Program provides local community groups and charities, an income of 5% of the invoice value of purchases\* with Sydney DPS.

### How does it work?

#### **Everyone has to print something...**

Sydney DPS provides your members with a competitive quotation on their printing and providing they order, Sydney DPS will rebate your Community Group 5% of the invoice value.

**Don't forget to nominate your Community Group when ordering !!**

### What do I need to do?

**We'll organise the advertising for you.**

The next time they need to **PRINT ANYTHING, ON ANYTHING** ask them to get an **obligation free quote** from Sydney Digital & Print Services. If they like their quote ask them to nominate your preferred community group and that's it!

### Do you know someone who owns a business?

**Take this flyer** and ask them to get Sydney DPS to provide a **quotation** the next time they need something printed...

**...No OBLIGATION!!**

### "What happens then?"

**Every quarter** Sydney DPS sends a cheque of the total rebate to your Community Group

\*Customers must nominate their preferred beneficiary at the time of placing their order. Thereafter, all orders will automatically continue to support their Community Group until advised otherwise.
