

SYDNEY DIGITAL & PRINT SERVICES

ENVIRONMENTAL POLICY

**UNDER
CONSTRUCTION**

Although our detailed environmental policy is currently under construction we can offer our clients a full range of environmentally friendly products.

Over the coming months Sydney Digital & Print Services will be developing our Environmental Policy to:

1. Understand our supply chain and offer environmentally aware solutions
 - Sourcing paper from sustainable forest suppliers
 - Validating the credentials of our suppliers to environmental certifications
2. Actively promote and apply green principals in the running of our business
3. Being a carbon Neutral business
